

## *Latent*

### Pipe Duct & Accessories - Wall & Roof Brackets

#### ***Latent*** - Duct & Accessories

- Latent duct and accessories are made of rigid P.V.C which offers a never changing aspect. The duct and accessories are fade-proof, U.V resistant and fireproof.
- Thanks to the advantage of P.V.C and its linear structure, they are very harmonious with any type of construction or building offering an outstanding quality finish.
- The easy to install ducts have a bottom and upper section. The bottom is first fixed to the wall. Then you fix the pipe, wiring and bind them with the Tie Clip (that slides along the inside rail). Finally cover them with the snap on upper section.
- All accessories that are two part are supplied with stainless steel screws to prevent rusting and unsightly stains.
- Mounting blocks will support upto 240Kg. Each mount is supplied with 2 x bolts, nuts & washers. End caps and galvanised tie down setting plates are available to suit.

#### ***Latent*** - Wall & Roof Brackets

- Wall & roof adjustable brackets are made from galvanised powder coated steel.
- Mount pads are made from E.P.D.M. which is an outstanding ultraviolet & weather resistant material.
- Three wall bracket sizes:
  - 60 Kg
  - 80 Kg
  - 150 Kg
- Composite Corrosion Free Wall Bracket
  - 80 Kg
- Roof brackets are adjustable from 3 to 30 degrees and have a load rating of 80 Kg.
